Dear Mr Rainey:

Your letter of November 13th to Mr Henry Ford has been referred to me.

Unfortunately the cuts used in my Booth art ~~work~~ in the Dearborn Independent were not saved. I probably can find copies of some of the pictures and loan those to you if you desire them.

I am quite interested, naturally, in what you may have to publish, and will be glad to assist you in any way that is possible.

Very truly yours,

FORD MOTOR COMPANY
