10th
1930

Dear Mr Twiss:

Your letter of April 3rd addressed to the Dearborn Publishing Company has been referred to the writer.

The Dearborn Publishing Company ceased to exist several years ago. Incidentally no back copies of the various issues were kept.

Have you an extra copy of the letter which you sent to the Portland paper dealing with your half-brothers connection with the case? I would appreciate very much having the story from you.

Very truly yours,

FORD MOTOR COMPANY
