Dear Mr. Black,

Mr. Otto Eisenschiml of the Belden Stratford Hotel, this city, asked me to write you to ascertain the time that would be most convenient for you to discuss with him some aspects of the Lincoln assassination, about which he has already written you.

If you will let him know just when you can spare him some of your valuable time, he will be most appreciative of the opportunity.

Mr. Eisenschiml can be reached by telephone at DIVersy 7548, or by letter to the Hotel at 2300 Lincoln Park West.

Sincerely

Virginia Maier

Secretary to Mr. Eisenchiml
