Dear Dr McCartney:-

I have a copy of your very interesting book "Lincoln and His Generals".

Under separate cover I am sending you a set of articles on Lincoln's Assassination and dealing with the many myths surrounding the legendary escapes of John Wilkes Booth. These appeared in The Dearborn Independent during the past year.

I am wondering if it would be too great an imposition if I should send you my copy of your book with return postage enclosed and ask you to write something on the fly-leaf and autograph it.

With best wishes, I am,

Sincerely yours
