Dear Sir;

Referring to my letter to you of May 15th.

I have recently received from Capt. Henry Strong, the party whom I had in mind at the time of writing you this letter, the data requested of him, and herewith hand same to you. In view of the fact that the series of articles are closed, the information contained therein may be of little value, however you may be able to get something from the parties whose names are mentioned in this communication.

Capt. Strong's present address is, I believe, 2521 Homan Ave., Waco, Texas.

Yours very truly,

W. M. Caldwell.
