Dear Sir:

Your letter of March 21st with reference to John Wilkes Booth is indeed interesting.

We are writing the entire story about Lincoln's assassination and believe when we have finished the series of articles covering it the myths that have grown up about Booth during the years will have been killed forever.

Would it be possible for you to obtain the letter of Mr Garrett Sr. to your father? As you possibly know, the Garrett boys were taken to Washington and held as witnesses during the Conspiracy Trial and told the story of just what happened at their place at that time.

With best wishes, we are

Very truly yours
