Mr F Hunter Creech
623 Munsey Building
Washington D C

Dear Creech:

Thanks for your letter of September 23rd enclosing the snap shots of the colored woman who stood at the door the night Booth came to the Cox home. The only name I have for her is Mary. I don't know what her last name might be. I would like to have her full name myself but suppose we can wait until sometime when you are down that way.

Very truly yours
