My dear Mr. Black:

I have sent to you this date by RAILWAY EXPRESS AGENCY your Booth photos, placing thereon a value of $150.00 which insures their going through sealed and locked in a safe.

I desire to express my sincere thanks to you for the use of these photos, and when and if I ever publish the complete result of my investigations into the Booth fabrication will be pleased to mail to you a complimentary copy.

Please advise Mr. Donaldson of your advertising department of this communication.

Very truly yours,

G. Rainey
