Dearborn Independent,

Dearborn, Mich.

Gentlemen:

As a collector of Lincolniana and student of the life of Abraham Lincoln I have been advised by a fellow-collector that about February last you published a most interesting series of articles dealing with the "Wilkes Booth myth" and that your Lincoln birthday number was very fine.

I write to find out whether your have at this time any copies for disposal. Kindly advise and oblige,

Yours,

Jno. W. Starr Jr
