Gentlemen:-

Receipt of your letter of June 26th is acknowledged. The matter referred to was taken up with our former Adjutant - one of the best informed Civil War veterans here - but he was unable to furnish any information on the subject of Zisgen's claims, nor was there any information obtainable from the papers of Joseph Zisgen on file in this office.

Your letter was later referred to the office of the Kennebec Journal of Augusta - and their reply, with copy of item appearing in the Journal January 9, 1924., is enclosed herewith for your information.

Very respectfully,

Keith Ryan
