Dear Mr Chambers:

I have been out of town for the past two weeks and your letter of May 28th has just been referred to me.

While we are not in the book publishing business, we have some of the same problems to face in connection with accepting articles for the Dearborn Independent. You have had a great amount of very fine Lincoln material during the past couple years and your Sales Force doubtless feel that they cannot limit the entire list to one subject. If you or your company have a file of Lincoln material, I would be very glad to return the articles and also send the additional ones that will appear from time to time. They may be of some value to you for reference purposes.

With best wishes, we are

Very truly yours
