#8.

Mr. F. L. Black,
The Edison Institute,
Dearborn, Michigan.

Dear Mr. Black:-

Our Zone Manager, Mr. P. K. Hamilton, informs me that he has not overlooked the request contained in your letter to writer of March 3rd, to secure from Mr. T. C. Valentine, Deputy Clerk, Caroline County, Va., a record of the heirs of Richard H. Garrett, from Mr. Valentine's report as Commissioner in Chancery in connection with the sale of the Garrett property. He has, however, been compelled to hold the matter in abeyance, pending Mr. Valentine's recovery from pneumonia. Having initiated previous investigation through Mr. Valentine, he has deemed it proper to await the gentleman's recovery rather than discuss the matter with another party, temporarily substituting for Mr. Valentine. I have taken it upon myself to concur with Mr. Hamilton's view.

Yours very truly,
FORD MOTOR COMPANY,

J. W. Mcconnally
Traffic Department.
