Mr. Otto Eisenschiml,
Belden Stratford Hotel,

Chicago, Illinois.

Dear Mr. Eisenschiml:

Thus far it has been almost impossible for me to spend any time away from the Ford Exposition. I hope that along in September the pressure will let up enough for me to spend an evening with you. I shall be glad to do so, although as you know it has been many years now since I devoted any time to research in connection with the assassination of Abraham Lincoln. I have made no attempt to keep up, for in the Ford organization there is always something new to work on.

At the present time we are planning two weeks of ballet in Ford Symphony Gardens, to be put on by Michel Fokine. It is a new ballet, and requires considerable organization.

I expect to be here until November first, and I am sure that a little later I shall be able to conveniently get away.

Sincerely yours,

F. L. Black
