Mr. F. L. Black,
The Dearborn Publishing Co.,
Dearborn, Mich.

Dear Mr. Black:-

Your letter, also papers received for which I sincerely thank you and shall avail myself of the privilege of replying at greater length later on.

In lieu of contents of both letter and papers I am taking the liberty of sending you at once under separate cover copies, and etc., of some of the data I have for your perusal with the idea that you may find useful the facts contained therein and return at your leisure.

I regret that I did not know of your enterprise sooner and that distance now presents more intimate acquaintance and closer communication as I would have been glad to confer with you on the subject in hand, had the same been agreeable. I remain,

Sincerely yours,

Charles J.G. Doherty
Superintendent,
Municipal Asphalt Plant.
