Dear Mr Saris:

A couple years ago you very kindly saw Wilson Kenzie with reference to some claims that he had made about John Wilkes Booth. He stated at that time that he had been associated with Jos Zisgen, one of the captors of Booth. Can you learn from him whether Zisgen is still alive and if so where located? If dead, when he died and where. Also when he, Kenzie, last saw Zisgen.

I will deeply appreciate having this information, if you can obtain it.

Very truly yours
