Dear Mr Briggs:

Attached is a copy of Charles Finger's "All's Well" for May. I thought you might be interested in the comment he makes on my investigation of the Booth myths.

I have just received some clippings and a letter showing that a Dr John F Harmon, an Evangelist, is adding the Bates story to his sermons out through Illinois. It seems that preachers, particularly of the evangelistic type, fall easily for the Booth escape myths. The Pastor of the leading Methodist Church in Kokomo, Indiana, has been preaching sermons in support of the legends.

Very truly yours
