Dear Mr Edmunds:

I am attaching a catalog of a book auction which is to take place in the Law School building, Lincoln Hall, at Northwestern University, Chicago Ave at Lake Shore Drive, December 4th, 1:30 P.M.

We are particularly interested in item #81, page 11. We may want to bid on this and would like to have a list, if possible, so that we can determine just how high we would care to go.

Time is rather short and I am hoping that you can send a man over to make a descriptive list of the items, and have it back in our hands not later than Wednesday or Thursday of this week. As you know, we have the chair in which President Lincoln was sitting when he was assassinated and we thought it might be well to have more material about the assassination.

Very truly yours,

F L BLACK
