Dear Mr Biebinger:

Your letter of March 21st with reference to the disposal of John Wilkes Booth is indeed interesting.

We are sure you will be quite pleased with the series of articles which The Dearborn Independent will run on this question. There will be altogether eight or nine. When the articles are finished, we feel that the myths surrounding the assassination of Lincoln and the alleged escape of Booth will have been quieted forever.

Thanking you for your interest, we are

Very truly yours
