P 270-71 (separate page just before Statement of D & B)

Why was it necessary
for Mrs Harper & tell who
George really was after
reading in Newspapers &
his death ~~before the undertaker~~ Price Brown
~~Newspaper~~
and the waitman knew
this already - there is no mention
in Pres reports that Brown
ever said "yes he told me
that too" even after Mrs Harper
told her story - It remained
for Mr. Bates to learn all this
from Brown -
Let us now consider the
Statement of Messrs Dumont
and Brown -
