Fred -

Can you spare a set of D. I. to that admirer?

Dearborn Pub To

Gentlemen is there any posibility of me geting coppies of the Dearborn news that contained the information of the assanation of Lincoln as published by You in the Fords paper as it was known at the time this paper with the information was published the Year of 1925-4 had them up to a short time ago and were distroced by fire as I am directley interested or at least my Parents were I wrote a letter to our Portland paper in regards to this some time befor You published giving practiley all facks as You found it, mine was in conterdiction to Dr Tree Willson saying that he had Booth in a Peterfied form in texes my half Brother was ove the stage that night and left or opened be back stage door so Booth could escape for this he was paid 420.00) of which 10 was confedereale of which I have in my proseeon now

Kindly let me know if my Request can be granted & cost of same
