June 20th 25
Cleveland, O.

My dear Mr. Black

Mrs D. and I have
been in Cleveland four
several days and ex-
pect to be in Detroit
Thursday, principally
to go thro the Ford Plant
and it occurred to me that
I might see you the
same day. I will look
up your office and call

there about 2 p. m. and
hope that I may
have the pleasure
of an interview
with you.

Very truly yours

W. H. Wakeley
