Dear Sirs:

We have a copy of "The Dearborn Independent" for April 18, containing the fifth article on John St. Helen as John Wilkes Booth, by F. L. Black, and would like to obtain all previous articles, on the same subject, and continue to the end of the series.

Will you please send us these papers for use in the library? We shall be very much obliged if you will.

Please send bill in duplicate for same.

Yours respectfully,

Jessie Palmer Weber

Librarian, Illinois State Historical Library.
