Mr George Rainey
Postmaster
Enid Okla

Dear Mr Rainey:

Forgive me for not sooner answering your kind letter of November 24th. I have been trying to find all my pictures. I know they are some place in the files, but those I am sending you herewith are all I have located as yet.

There is a reproduction of the program at Ford's Theatre for Friday evening, April 14th, a print of John Wilkes Booth from a photograph that was in the Clara Morris collection, a print of the tintype of John St Helen, a print from two pages of Booth's diary, and on the same page the two wills of David George and his signature to a letter, a photostat showing the check made by George to C A Vannees, El Reno, Oklahoma, in the amount of $350 which Bates "blew up" to $3,500, print of the stage at Ford's Theatre, diagram showing location of Ford's Theatre, print of the sketch made for Harper's Weekly of the assassination, print of the flag in which Booth caught his spur and of the spur on one page.

As soon as I locate the others, I will be glad to forward them.

There is no need for me to warn you that these pictures are extremely valuable to me, and while I know you will personally take good care of them, please warn your publishers to be particularly careful with them also.

Sincerely,
