Gentlemen.

If possible the Herald would like to publish the Booth story on the assassination of Lincoln.

I have asked a dozzen fairly well posted men on the history and few of them know any of the particulars of this awful tragedy, especially for the south, and if this great man had lived we would have had no carpet-bagging of for mean vindictive office holders from the south, and right now I can in my minds eye, had Lincoln lived see Gen. Robert. E. Lee, and himself conferring on what was best for the south and the nation, after the war.

I always enjoy the Dearbon Independent, but espevially enjoyed reading and refreshing my mind on this matter.

Yours very truly.

This will be interesting for the reason that Vicksburg has the most beautiful National Millitary Park in the world, and it is here that Pemberton capitulated with Grant. Come dow sometime and we will give you a great time.
