Mr E L Bangs
The B&O Railroad Co
Baltimore Md

Dear Mr Bangs:

Thank you very much for your letter of June 22nd and the prints of the sheets of the Todd letter; also view of the gun room of the "Montauk," copy of Dr Todd's old wartime portrait and photo copy of the Lincoln Funeral Car as it appeared in the old B&O Station in Washington.

Since I will be away from the office the greater part of the summer, I do not anticipate being able to do much Lincoln research before fall. Sometime in September I will be in Washington and intend stopping in Baltimore for a few hours visit with you. I will call you from Washington for an appointment.

Let me again assure you of our deep appreciation.

Very truly yours
