405 East 54th Street,
New York City,
--Nov. 16, 1940.

Dear Fred:

I told you I would let you know when that diamond article would appear in Esquire. You will find it, "Million Dollar Flame" in the December issue of Esquire, now out on the stands.

Speaking of articles I haven't heard from you about "The Ghosts of J. Wilkes Booth." Will I be getting your corrections and suggestions back soon?

Best---

Sincerely,

James Remington McCarthy
