Mr. F. L. Black
Ford Motor Company
Engineering Laboratory
Dearborn, Michigan

Dear Mr. Black:

A great many of the early numbers of LINCOLN LORE are now out of print, but if you will inform me just which numbers you have I will be very glad to forward as many of those you need as are available.

Thank you for your very kind offer to show us through the "Village" should any of us ever come to Detroit. I may take you up on that as I am contemplating a visit to Detroit in the spring or summer and I shouldn't want to miss the "Village" which I have heard so much about.

Very truly yours,

Ellen Herendeen
