Dear Mr Wilson:

I have just returned from a trip in Northern Michigan and find your letter of September 11th.

Last night I started to gather pictures you want. Unfortunately, about a year ago when you sent me a list, I got out part of those you now want from the regular file and in the meantime I have mislaid them. It may take me a couple of days to get them all together.

I notice you ask for the "CRACKED ST HELEN'S TIN-TYPE". The original of this, of course, is not in our possession. We merely have a photograph.

Sincerely yours
