London W 2 England

Dear Mr Tyner:

Thank you very much for your letter of September 8th and the clipping from the London Weekly regarding the slayer of Lincoln. I have been making a collection of clippings and naturally have a great many of them. I have several new articles in preparation which will appear in the Dearborn Independent during the fall. I will see that you get copies.

With best wishes from Mr Cameron, Mr Donaldson, and the writer.

Very truly yours
