Mr Francis Wilson
24 Gramercy Park
New York City N Y

Dear Mr Wilson:

Knowing that you will be interested in anything connected with the Booths, the writer is sending you herewith the first three of a series of articles dealing with the assassination of Abraham Lincoln and the disposition of John Wilkes Booth. The other four or five, which will appear in the future, will be forwarded to you as they are issued.

I would be glad indeed to have your reaction to this series when it is finished.

Very truly yours
