What trace was there of St Helen or George in 1898? over

From whom was information obtained as to his whereabouts there? Leadville

How was subject of assassination investigated?

Did Mr ~~Brown~~ Bates recognize similarity of St Helen's picture to the pictures of Booth found during this investigation? (Refer to Page 168)

No -

From lack of real checking Bates must have acquired ~~information~~ book information spoken of here from grade school histories.

References made to Johnson actions Bates pages 84-87 prove nothing re any possible connection with assassination

1898

Forgets how & when & where was

Had seen Col Hopkins who said he had served Johnson & Booth — Read Magazines & Histories 19

Where is there any analogy between Marc Antony's Oration over Julius Caesar and Johnson's Speech?

Johnson referred to Southern leaders who were not implicated.

Bates - Page 83

What authority for statement that St Helen left for Leadville, Colo.?

Erater Letter only

Bates says - nothing else

Statements of other Granbury people - St H left about time of burning of Ct House March 8 1875 and Bates says he left there before that event - an evidence of the lack of accuracy of statements that can

be checked —

Eiath letter Connection of 1898 (?) Dana statement?

D. E. George was in Kennessey about this time painting houses. Bates acknowledges he did not hear from him or of him until after his death
