Mr. F. L. Black,
The Dearborn Independent,
Dearborn, Mich.

Dear Mr. Black:

Thank you for the copies of the Dearborn Independent with the articles about the assassination of Abraham Lincoln and the myths connected with the body of J. Wilkes Booth. I have not read them with care, but from they glance I have been able to give them they seem very well done. I shall want to file them and shall appreciate your sending me the rest of the series.

Do you know, I think you are making a very interesting paper.

Sincerely yours,

Adelbert Rudd
