19046

June 30, 1926.

Col. Keith Ryan,
Governor,
National Soldiers Home,
Maine.

Dear Colonel:

The enclosed item which appeared in the Journal on January 9, 1924 is the only news we can recall regarding this matter.

This item would seem to confirm the identity of Lincoln's murderer as we have heretofore believed.

Sincerely yours,

REC'D E B. G. O.
