Dear Sir:

Thank you very much for your letter of March 20th with reference to the difference in facial resemblance of Armstrong and Booth. Your observations are correct. The only trouble with most people is that they don't observe as closely as you do. They merely note a superficial resemblance and go no further.

We are running a series of articles on the Booth myths and shall be very glad to have your reaction after you have read all of them.

Very truly yours
