Dear Mr Axelson:

Your letter of April 17th enclosing the snap-shots of the Bates exhibition posters has been referred to the writer, who is the author of the articles in the Dearborn Independent. Thanks very much indeed for these as they are welcome additions to our collection of pictures.

We shall also appreciate having prints of the pictures you take this summer. You will find your trip a most interesting one and if you follow the Booth trail from Washington down to the Garrett barn, you will be quite pleased with the picturesqueness of the scenery.

With appreciation for your letter and kind comments, we are

Very truly yours
