Your letter of May 6th has been referred to the writer, who was glad indeed to know that you are interested in Lincolniana.

After you have read the articles regarding the assassination, I would like to know what you think of them and whether you have any additional material in your collection. I notice that the B&O Auditor of Disbursements is G H Pryor. Is he a relative of Gen Roger A Pryor of Virginia?

With best wishes, we are

Very truly yours
