My dear Mr. Black.

Received your friendly letter today - It shall be a great pleasure for me to furnish you with prints of the pictures I hope to take next July - in Maryland and Virginia - of historic value and interest -
The snapshots I sent to you - were taken - at Riverview Amusement Park - Chicago -

I would ask you to please give me some information as to best way of seeing the Surratt Tavern - how to find Dr. Mudd's home, if still standing - and how to gain admission to the Garrett Farm - and any other help you care to give me - which would be of greatest aid to me -

Trusting that I may hear from you again - and that you will receive my request in a friendly spirit - I remain

Very Cordially Yours
