BOUGHT AND SOLD

Dear Mr. Black:

Can you get me a sample of Finis Bates handwriting or a photostat of it? And do you know of any photograph or reproduction of a photo of Sanford Conover alias W W Wallace alias Dunham, War Dept spy and witness in conspiracy trial. Otto Eisenschiml wants these very much.

Do you know Dr. Louis D. Carman of New York City? If not let me know and I'll give you my notes of what he knows of Booth et al. when I see him the latter part of this month. He went over the ground in the 80's when everyone was alive.

Here's the list of what Otto has- if anything else should come to your notice will ya please let him or me know. We'll buy, trade or anything else except borrow + steal.

If ever you come this way, do stop

Sincerely yours
F H Sweet
