Mr. F. L. Black, Editor,
c/O Dearborn Independent,
Dearborn, Michigan,

Dear Sir:

I have just finished reading the "ESCAPE and SUICIDE of JOHN WILKES BOOTH" by Finis L. Bates, lent me by Geo. A. Dondero.

Mr. Dondero was, also, telling me about Articles that have been written and published by you, based on facts that you obtained in your recent search while down south and he was confident that I could get the different editions of the Dearborn Independent, containing said Articles, if I wrote you.

If this is possible, I would appreciate, very much indeed, your sending same to me, together with a statement of all charges which this request has necessitated.

Respectfully yours,

VMB/ES.

Viola M. Berryman
