Dear Mr Creech:

Thanks for your letter of June 23rd regarding Zisgen, Kenzie and Col Halpine. I am writing the Soldiers' Home of Maine with reference to Zisgen and will appreciate receiving the additional information regarding Kenzie and Halpine.

I can find no record in the New Orleans newspapers the fall of 1862 of John Wilkes Booth either being or playing there. He is not mentioned in the theatre ads.

Very truly yours
