Dear Mr Scott:

Your letter of March 16th to Mr W J Cameron has been referred to the writer, who is the author of a series of articles now running in The Dearborn Independent on Lincoln's assassination and what became of John Wilkes Booth. We also have in our files copies of Harpers Weekly for the years 1860-1865 inclusive and, as you will recognize in the forthcoming articles, have reprinted some of the pictures shown.

We are sure that you will be quite interested in this series and shall be glad to hear from you again, after you have followed it through.

Very truly yours
