Dear Mr Garner:

Possibly you will remember that I talked with you and your father back in 1920 with reference to some of your father's experiences during the Civil War. I understand from Mr A W Neale that your father is now dead. I was very sorry to learn this as I hoped to have another talk with him this summer. Can you tell me when your father first moved into Charles County, or was he born there? I am also trying to learn where Franklin Robey is buried. I have a vague recollection that you told me you thought it might be Newton (or Newtown, which is it) Cemetery.

I am enclosing a self-addressed, stamped envelope for your reply, if you will be so kind as to give me this information.

Very truly yours
