Dear Mr Sweet:

I am attaching a photostat of Finis Bates' handwriting, as per your request of May 7.

At present, unfortunately, I will have no opportunity to dig back in the files for the information about Sanford Conover. I am in charge of the Ford Exposition at "A Century of Progress" and am spending most of my time in Chicago.

I do not know Dr Louis D Carman. I would be delighted to have copies of your notes of what he knows of Booth.

Thanks very much indeed for Mr Eisenschiml's addressograph list.

You will probably be in Chicago some time during the summer. Look me up at the Fair and bring Mr Eisenschiml along. As things settle down somewhat over there, I expect to be back here for a day or two each week and will then try to find material on Conover.

Very truly yours
