Dear Mr Black:

Mr Cooper has requested that I forward you the information requested in your letter of January 3rd in connection with photographs furnished you with our letter of December 29th.

The photographs we sent you of the advertisements featuring Booth's appearance were made from the New Orleans Times, page 5, column 5, on each of the dates of March 15, 16 and 17, 1864. The news criticism also appeared on page 5, in column 2, on each of the dates mentioned.

In checking the files of this paper, we were unable to locate any ads which were run at that time by the St Charles Theatre giving any specific dates for the appearance of Mr Booth. However, the files of the New Orleans Times very clearly show that his appearance here was from March 15 to April 4, 1864, as previously advised.

We trust that this is the information desired, however, if we can be of further service in this connection, please call upon us.

Yours very truly
