Mr O D Street
Attorney-at-Law
Guntersville Ala

Dear Sir:

Thanks very much for your letter of March 28th and the subscription.

We would indeed be glad to borrow the letters from Joseph Jefferson and Clara Morris. We have a clipping from a newspaper in which Jefferson denies any identification of Mr Bates' tintype. His letter, however, would be a welcome addition and also that of Clara Morris. We believe that you will be interested in the disclosure we make of other points which Mr Bates used in an attempt to prove his case.

Should you care for additional copies of the issues containing the series dealing with Booth, we shall be glad to send them to you.

Very truly yours
