Dear Mr Cooper:

Thank you very much for your letter of December 29 and the photographs of the March 15, 16 and 17, 1864, NEW ORLEANS TIMES Amusement page.

It certainly was very good of the Times-Picayune to make these for us. Can you give us the three page numbers? They do not show on the photographs. You say that Booth's engagement lasted from March 15 until April 4. Will you give us the references for this information. It should be on some such form as the following.

> "An advertisement of the St Charles Theatre to be found in the NEW ORLEANS TIMES for Tuesday, March 15, 1864, Page (?), announcing the engagement of John Wilkes Booth from March 15 until April 4."

In other words, we merely want the definite reference authority. It is not necessary to have a photograph of the announcement; merely some such form as above.
