Mr. F.L.Black,
Dearborn, Mich.

My dear Mr. Black:-

I wish to use in my reply to Dr. Clarence True Wilson, the letter from Joe Jefferson, to Oliver D. Street, which letter ~~a~~ appears on the 14th page of the Dearborn Ind., April 26th, 1925. Dr. Wilson will probably raise to question of the genuaneness of the letter. If so, what reply can I make.

The letter completely disposes of the indetification by Joe Jefferson, and is no sense the same statement that Bates in his strange book, attributes to Jefferson.

I do not wish to annoy you, but having taken up this matter I wish to as conclusively as is possible, answer Dr. Wilson.

Farther:- If the records show that Moseby surrendered to Hancock, at or near Winchester; then it mfist follow that Moseby's men were not at Bowling Green, as alleged by Bates. If they were not at Bowling Gree, but at Winchester, then they were on the north side of the Rappahanock, and not on the south side. Since the surrender of Moseby to Hancock was on April 21st, that will synchronise exactly with the meeting of Ruggles, Bainbridge, and Jeet, with the Booth party on the NORTH side of the river. This completely explodes the Robey management of the get away, etc.

Thanking you for your interest in this matter,

I am sincerely yours,

Thompson W. McKinney.
