It is fun of you to offer to loan of the pictures & I am glad to accept. Here I would like most are:

1. George's Desk for $35.
2. The "J. Wilkes Booth" Signatures — the real one by George's for Sec'y.
3. The "Dove Jack Bernstein tea clot —

Cero - items.

4. Copy of a page of Booth diary
5. Tri type of John St Helen (Booth), defaced
6. Booth with Cane.
7. Booth Crossing Stage after leaping from to box
8. Booth in act of leaping from box.

6 sheets

Is that too much to ask? Re treat me.

Thanks to your fabrication of the Jefferson letter, I got a copy of the Clara Morris letter, from O.D. Steel Tennessee Valley Historical.

Wish we could meet! If you come to New York this Summer, spend a weekend with us at Lake Mahopac. We'll have Dr Houghton on hand.

With renewed thanks

Very sincerely Yours,

Frances Wilson
