Dear friend Fred:

I have just received the enclosed material in regard to John St. Helen, alias David E. George, alias John Wilkes Booth, from Miss Lydia Vascin who is secretary to Congressman Ross Rizley, a Republican from the state of Oklahoma.

I thought you might be interested in seeing this and I am sending it on to you that you might read it. When you are through with it, will you please enclose it in the envelope which I am sending along with this letter and send it to Florence Doty at the Probate Court at Pontiac?

Was happy to see you recently at the dinner given to Judge Ferguson in Detroit.

Best wishes from an old friend,

Geo. A. Dondero
