Dear Mr. Black,

Thanks for your permission in your letter of the fifth. It would help me much if you could find the halftones of your article in the Dearborn Independent. I would like to print those showing D.E. George's handwriting. Do you think you could get them? If not, I shall have them made from your article, but will they come out plain enough?

Saw our friend Tom Starr yesterday and today and talked about you. You were in good hands.

Thanking you again for your courtesy, I am,

Very truly yours,

Otto Eisenschiml
